FROM PA WEST

Online Family Gaming Event 12/19

PA West is excited to heat up gaming once again! In order to kick off our schedule of gaming opportunities, we decided to embrace the holidays first with an official Family Night Gaming event (and it will not be the last)!

Our Family Night will include the rollicking hayride of a game - Rocket League. This nationwide 2v2 tournament on December 19th is designed to engage families in a hopefully friendly (or not so friendly) competition. Because of the pandemic, we are providing a virtual gaming opportunity to all families practicing distancing this year.

The event will allow siblings, parent/child, and grandparent/child to participate. It is time to shine a light on your family's gaming skills (or fun lack thereof).

This is a free event, AYCE's gift to you and a gift to our families.

Rocket League Tournament: December 19th, 3pm EST

Registration: [AYCE Holiday Spectacular](#)
